San Jose, California, Monday, December 6, 1948

Number 45

'LYKE' OUT TODAY

CRITICS DUB NEW LYKE 'BEST EVER!'

By AMBROSE HAGGARD and
JACQUE WOLFF

Deep-set laughs, commonly known as belly laughs, were our first reaction to this quarter's terrific edition of Lycurgus. In addition to amusement and entertainment galore, art, photographs, and literary works go to make up the most enjoyable student magazine yet produced at San Jose State college.

Lycurgus went on sale this morning at convenient locations on campus. Students are paying a quarter of a dollar for the best collected talent of a 25-person magazine staff. Sales booths are located in the administration building, art wing, library arch, science wing, industrial arts arch, and behind the commerce wing.

A new feature for the campus mag is its "Girl of the Quarter." Freshman Pat Alexander holds the limelight and vital statistics are given in the legend beneath her photographic portrait.

Promised to bring forth many a hoot and howl is Al Johns' winning cartoon. Followers of this Spartan Daily staff artist will find the cartoon stands on the bedrock of his past humorous cartoons. This should give readers an idea of the terrific punch Johns carries in his potent art pencil.

Of the short stories, Fred Albright's "I Hates a Liar" is a definite must for nostalgic veterans fond of recalling the character of men of the last war. In his "Day of Rest," Roger Freeburg shows a feeling for the married folk of our institution.

"Compass" Sketched

The center spread feature of Stan Bennett's artistic impression of the little "Campus Compass" booklet is calculated to wow.

Editor Michael Overhulse has done a feature on the Occupational Therapy department of the college. This year's fashions in college clothes are surveyed, with models Gloria Foster, Nancy Martin, Patty Burke, and Kappy Baird aptly illustrating in photos by Del Carlo.

A new "Letters to the Editor" department reflects the campus view on the merits of the magazine. The department wherein movies, literature, and music of our time is reviewed and decided upon by Overhulse is a classic.

"You'll 'Lyke' It"

The issue is interspersed with the work of campus cartoonists. The columns of local patter and wise observations on life and morals, should be on all students' "must read" list.

Every magazine has humor. Lyke is no exception.

No one has fun reading someone else's Lycurgus. Ask the man who owns one. It is fine, and you'll "Lyke" it.

THETA, ALPHA PHI, A-PI-O, SAE and other LYKE sales people, PLEASE remember your obligation. Sales schedule at each booth. In event of rain look in building nearest booth.

C.O.P. TOPS FIELD INCROSS-COUNTRY; SPARTANS THIRD

By HANK PLYMIRE

With Bob Kirkpatrick, College of Pacific runner, finishing first among 30 entrants, the Tigers emerged the winner of a four-way cross-country meet held on the Spartan course Friday afternoon. COP won the meet with 43 points, while Cal Poly placed second with 52 scored. The Spartans gathered 54 points for third place, ahead of San Francisco State's score of 63.

Kirkpatrick won in 16:43, which time Spartan Coach "Bud" Winter said was "very good" considering the condition of the route. The regular three and one-quarter mile course was modified somewhat due to weather conditions, thereby making the exact length uncertain. Members of the local team said they believed it to be slightly over three miles.

Dore Purdy, top Spartan distance runner, took the number two spot only 11 seconds behind the winner. Holden, San Francisco State star, finished third in 17:03—eight seconds ahead of Merle Knox, veteran Spartan harrier, who is not eligible this year because he has graduated.

The official fourth spot went to Richesin of COP, who was followed by three Cal Poly runners: Leslie, Boehm and Lee. Spartan harriers came into the scoring when Seward Chapman, Marion Day, and Durwood Slater finished 10th, 11th, and 12th respectively.

Art Brickey became the fifth point winner for the locals when he finished in the 19th spot. Vernon Young, another Spartan color bearer, almost beat Brickey to the finish line, but the latter tagged him by tenths of a second.

San Francisco Olympic club runners and Vierra, Fresno State distance star, failed to arrive for

(Continued on page 4)

HELP WANTED!

Dick Cirigliano, Spardi Gras chairman, requests that anyone interested in the position of assistant Spardi Gras chairman and director of entertainment leave his name and past experience in this type of work in the "C" box in the Coop before Wednesday.

SOPH HOP FEB. 5; THEME IS SECRET

"Save Feb. 5 on your calendar for the first big social event of the new quarter," advised Barbara Watts, publicity chairman for the "Soph Hop."

Though what will happen on that date seems to be a mystery, rumor has it that Miss Watts refers to the forthcoming "Soph Hop."

Nothing has been released concerning the details of the event, and "Hop" committee members have taken to donning black hoods as an added protection.

Bert Howard, "Hop" committee chairman, and all his staff are strictly mum about the event. Howard says that nothing short of rubber hoses and Klieg lights will make him tell the place, band, theme, or entertainment.

VARSITY DEFEATS YMI 55 TO 46, FROSH TRIUMPHS

The Spartan basketball team overcame an early lead by the YMI, Saturday night, and went on to a 55 to 46 victory in the San Jose State college gym.

After Bob Wuesthoff had opened the scoring with a push shot from 25 feet out and Don McCaslin had tallied a free throw, John Desmond, who was high for the night with 20 points, scored three buckets and a foul shot to give the YMI an early advantage.

However, baskets by Stu Inman, Bob Crowe, and three buckets by McCaslin put the Spartans into an advantage that they held for the remainder of the contest.

Inman dropped 16 points into the netting for top honors for the locals, and McCaslin tallied 13 points, followed closely by Wuesthoff with 10.

The freshman cage team, showed a tight defense and did not allow one basket from the floor in defeating the Madera high school 33 to 11 in a preliminary game. All the Madera scoring came on four shots. Keith Reid, forward, paced the frosh with seven markers.

Spartans Smash Mexico University By 71 To 19 Score

MEXICO CITY, Dec. 4—San Jose State college scored in every period here Saturday to defeat a game but outclassed University of Mexico football team, 71 to 19.

Before a crowd of 12,000 persons, the Spartans, with Bill Schemmel going 68 yards off tackle, scored in the first three minutes and continued the onslaught to compile a 50 to 13 half-time advantage.

Long runs featured the contest, with Steve O'Meara racing 95 yards on a kickoff return, and Mexico's Victor Ramos rambling 102 yards for the home team.

Schemmel scored the second Spartan touchdown after six minutes of play, and Bob Pifferini added the extra point. Fred Mangini ran 64 yards and 54 yards to account for the next two San Jose touchdowns.

Chuck Hughes passed to Bill Wilson, O'Meara ran 53 yards, and Harry Russell tossed to Wilson; all three resulting in second period scores. In the last half, Hughes threw to O'Meara and Pifferini for touchdowns, and John Smith scored on an intercepted pass to end the game.

Theta Chi Football Team Takes 'A' Loop, Sigma Alpha Wins 'B'

Theta Chi defeated Theta Mu Sigma 12-0, last Tuesday, and walked off with the Inter-Fraternity Council "A" football league title, and on the same day Sigma Alpha Epsilon safely tucked the "B" league championship away.

The two teams will meet in a playoff for the IFC championship Dec. 2, on the Municipal Rose Gardens turf at 3:45 p.m., according to Don Perry, Theta Chi publicity chairman.

JAM-PACKED SPARTAN GYM SEES FINALE OF ANNUAL BOXING BOUTS

By DAVE PARNAY

Thirty-five hundred people jammed Spartan gym Friday night for the finale of "Dee" Portal's Twelfth Annual Novice Boxing tourney. There were nine bouts on the card. Nine champions were decided. There were no knockouts and though no bout approached Thursday night's heavyweight semi-final between Jim O'Conner and John Farrell no one went home disappointed.

Best bout of the night was between 165-pounders Ernie Esch of Delta Upsilon and slim Vic Viviano of Sigma Alpha Epsilon. Viviano won the first round on some solid lefts and rights. Esch came back in the second with some hard lefts to the head and won going away in the third round. Viviano tired badly.

CHINESE TALES TOLD BY PLAYS OF RED GATERS

The Red Gate Players will present Chinese shadow plays in the Little Theater Dec. 8, according to Dr. Hugh Gillis, head of the Speech and Drama department. The shadow actors are animated parchment figures, carved and colored by Chinese craftsmen. They move behind a screen, thus deriving the name "shadow."

Both the parchment and colors are transparent, and the light which illuminates them from behind causes them to appear in luminous colors to the audience, giving the effect of a Chinese painting in motion.

The shadow play may be called the world's first motion picture. More than 1000 years ago, story tellers appeared in the market place in China's capital city with parchment figures which they moved behind a lighted screen to illustrate their tales.

Ever since then, these plays have been a favorite in China. When the first moving pictures came to the country, they were called "electric shadows."

The Red Gate Players use these ancient shadow plays to interpret Chinese art, drama, music, and customs. Pauline Benton, who produces the plays, studied the secrets of the art from the official shadow player of the late Empress Dowager. She watched many performances in the villages of North China, and brought home a large collection of the shadow figures and play texts for the American productions. The plays are presented in English.

Tickets for the production may be obtained in the Speech office, room 57, directly across from the Little Theater.

ALPHA DELTS PLAN CHEM. TEA

Members of Alpha Delta are holding their annual chemistry tea in room H-35 this afternoon at 4 o'clock, according to Miss Helen Mignon, adviser and home economics teacher.

As Alpha Delta members are all planning to go into the dietetics field, the tea will be prepared and served in the equipment usually found in a laboratory.

All home economics students interested in dietetics are invited to attend.

PHI ETA SIGMA ELECTS HEAD

George Coleman, newly elected president of Phi Eta Sigma, lower division honor fraternity, has issued an invitation to transfer students and faculty who are members of the organization to join the locals at their next meeting.

The meeting, to be held Monday at 3:30 in room 11, will feature a talk by Clyde Zirbel. Zirbel was the Spartan chapter's representative at the national convention held last month at University of Alabama.

Portal climbed into the ring at the end of the card and with gold trophy in hand announced Esch as the tournament's outstanding boxer. Ernie had modestly disappeared, however, and will undoubtedly get his trophy later.

Newman club won the team championship with 31 points. Sigma Alpha Epsilon finished second. With only two bouts to go, SAE had overcome the commanding Newman lead, but victories in the last two bouts gave the Green and White the title.

Following Newman club and SAE were: Delta Upsilon 15, Kappa Alpha 13, Theta Mu Sigma 10, Chi Pi Sigma 9, Pi Sigma Kappa 5, Theta Chi 1, Delta Sigma Gamma and Kappa Sigma Kappa 0.

Kappa Alpha won the plaque as the tournament's best and noisiest rooting section. Their angels were as loud as they were pretty and the on-again off-again lighted horns of the devils were tops.

Newman club took the plaque for the next best rooting section and to complete a near sweep of honors Newman Manager Pete Fransulich was awarded the trophy as the tournament's outstanding manager.

Frank DeRoos (TMS) was the evening's first champion. Frank used his reach advantage to decision DU's Jack Monroe.

The 130-pound title went to featherweight Bob Johnson of SAE. Johnson's good second round gave him the nod over Wes Mathews (NC).

Water polo star Al Grass (KA) decided on Al Sabory for the 135-pound championship. Sabory was subbing for Howie Bryant who injured a shoulder muscle.

The 145-pound or welterweight title went to Don Desch of Chi Pi (Continued on page 4)

BRING OLD, NEW TOYS FOR TOTS IN DAILY DRIVE

The 12th annual Spartan Daily Toy drive will continue until Wednesday, Dec. 15. All gifts will be accepted in the Spartan Daily office.

Toys turned in to the Daily drive will be given to the Children's Convalescence home at the Santa Clara County hospital, as has been the practice in past years. Arrangements have been made to have all toys picked up on Dec. 15, and no contributions will be taken after that date.

Mrs. Widman, supervisor of the home, said that the hospital has appreciated efforts of the students of San Jose State college in the past and is counting on their contributions again this year.

All toys, games, metal toys, books, and constructive items will be acceptable. Old or new, bring them in and they will be put to good use.

Toy contributions have been generous in the past, and it is the Spartan Daily staff's hope that they will continue to be so this year.

S. J. SCHOOLMEN'S CLUB EXTENDS INVITATION TO FACULTY MEMBERS DEC. 9

San Jose State faculty members have been invited to attend a meeting of the Schoolmen's club Dec. 9 at 5:30 p.m., according to Mr. J. Stevenson of the Industrial Arts department. Speaker for the meeting will be J. W. Reber, originator of the "Reber Plan,"

Stevenson said. He explained that the "Reber Plan" is a comprehensive program for the development of Northern California, and includes plans to dam the San Francisco Bay into fresh-water reservoirs.

Stevenson said that Mr. Reber hoped to do away with the necessity of building a second bridge crossing by this plan. Roadways could be built on top of the dams and thus elivate crowded conditions.

The plan has been very controversial thus far, Stevenson indicated, and no educator should miss the discussion. This is the first time Mr. Reber will speak to the faculty as a whole, Stevenson said.

The meeting will be held in the Willow Glen Methodist church. All those who wish to go are asked to contact Mr. Stevenson by phone before 5 p.m. Tuesday, Dec. 7. Price of admission will be \$1.25 per person.

U. S. CIVIL SERVICE REPRESENTATIVE TO BE ON CAMPUS

A representative from the U.S. Civil Service commission will be on campus Dec. 9 to discuss with students opportunities now available in the service.

Students may contact the representative at the Placement office, room 108, between the hours of 9 and 12 next Wednesday morning.

According to information received in a bulletin, it is hoped to interest outstanding senior students and graduates in the many fields now open.

Chemists head the wanted list with accounting majors next in demand. Other positions, such as office auditor, budget assistant, engineer, personnel assistant, bacteriologist, and technical editor also are open.

Information regarding applications for examinations may be had at the Placement office. Anyone interested should check soon, as the receiving deadline for some applications is Dec. 21.

INITIATION HELD BY ART FRAT

Delta Phi Delta, national art fraternity, held its formal initiation last Tuesday in room A-1, according to Tom Koskey, president of the organization. The formal initiation was followed by an informal dinner at the home of senior adviser, Mrs. Gladys Vogelman.

Dr. Marques Reitzel, national western representative of the fraternity; Mrs. Vogelman, and Mr. Milton Lanyon, present advisers, and Mr. Donald Sevens and Mr. Warren Faus, past advisers, welcomed the neophytes into the fraternity and explained its aims.

Mrs. Richard Tansey spoke on American art and the interesting jobs in museums which are open to artists.

The new members of the organization are Dora Anderson, Patricia Bodwell, Elsie Fuhlendorf, Sandra Macy, Charles Martinelli, Michael Minogue, Mary Muffelman, and Joseph Tanous.

Press of the Globe Printing Company 1446 South First Street, San Jose, California Member, California Newspaper Publishers Association

THRUST and PARRY

Dear Thrust and Parry and Tom Wall:

Tom, since you "honestly" do not know why a petition has been circulated requesting a vote of the student body on the recently passed by-law giving the Student Court authority to revoke mis-used ASB cards (ref. Daily, Dec. 2, 1948), we will tell you.

It is to indicate to you that not ALL of the students like the way some of the ASB Council members are using their voted confidence. It should serve as a guide in the speedy passage of the plans being worked on where-by students could bring non-student guests to athletic contests at a lower rate, and should also bring forth other much needed decisions in favor of the "\$15 contributors."

As for the \$15 "privilege," we hope you read Thrust and Parrys by ASB Nos. 436, 6204, 6018, 5113, and 5474 (ref. Daily, Dec. 2, 1948).

Now, Tom, do you see, or has "The Great White Father" dimmed your sight?

Yours for an ALL-student

government,

NORMAN LEWIS (ASB 3853), and ASB Nos. 1506, 3834, 6433, 6161, 2540, 2964, 4831, 2393, 723, 1329, 1940, 5142, 1887, 4407, 5460, 5296, 1931, 3594, 4843, 7060, 954, 809, 2255, and 4715.

PRICE OF CAMPUS DIRECTORIES RISES TO THIRTY CENTS

Campus Directories will cost 30 cents this year due to the rise in printing costs, revealed Carl Holmberg, committee chairman, yesterday.

Blue Key representatives will sell directories at a booth in the Library arch from 9:30 to 3:30 this week.

New feature of this year's directory is a blue cover. Since there will be 2500 printed for more than 7000 persons, the sale will be on a first come, first serve basis.

As in the past, the directory will be a great aid to students and faculty alike.

"I would like to thank with sincerity the Spartan Spears, always diligent workers," said Holmberg. "To Dean Dimmick, I extend the appreciation of all Blue Key members for use of office and typewriter."

'Y' Freshman Club To Carol Locality

Songs of the Yuletide season will fill the air when members of the Student Y freshman clubs tour the campus' boarding house area Tuesday evening.

The carolers, who will include members of all frosh clubs and their friends, as well as others who wish to join in the singing, will meet at the Student Y lounge at 7:30 that evening, according to Sally Moody, committee chairman in charge of the event.

After touring the area occupied by the boarding houses, fraternities, and sororities near the campus, the group will return to the "Y" lounge for refreshments, Miss Moody indicated.

English Faculty Attends Meeting

Six members of the English department faculty at San Jose State college visited Berkeley Saturday to attend a meeting of the Bay Area section of the College English association. The meeting was held at the University of California. Dr. Harold Miller of the San Jose faculty was vice president of the organization.

Besides Dr. Miller, those attending the meeting were Dr. Raymond W. Barry, head of the department, Dr. James Wood, Dr. Roberta Holloway, Mrs. Charlotte W. Rideout, and Mrs. Florence Bryant.

THOMPSON AIRS VIEWS ON RECENT CARD BAN CONTROVERSY IN UNION

San Jose State college Comptroller E. S. Thompson aired his views about the recent ban on card playing in the Student Union to a Spartan Daily reporter in an interview yesterday. Thompson is a member of the Student Union board, which is the body that makes

rules governing activities of the Student Union.

"The ban on card playing first came from the students themselves," Thompson said. "When they expressed their feelings about the situation, the faculty members on the board fell in line."

"I think there is a feeling that certain non-student members of the board are high pressuring rules and regulations on the Student Union. This is not true."

The comptroller said the main issue involving the Student Union is a question of whether the students want a lounge or a card room.

"The problem behind the card playing ban is that our Student Union is inadequate," he emphasized. "A Student Union should be for resting, visiting, and studying, but it should also have facilities for such forms of recreation as ping-pong and card playing."

"I visited 15 colleges in the east last spring, and I made a tour of their Student Unions. Some of them had facilities for ping-pong, card playing, bowling, and lounging."

He mentioned the University of Washington, University of Seattle, Purdue, Ohio State, Harvard, MIT, Cornell, Wisconsin, and Northwestern as some of the institutions he visited.

REG APPLICATION CLOSING DATE IS DECEMBER 10

According to Registrar W. H. Neal, applications for admission to the college during winter quarter will be received up to and including Dec. 10. The closing date was extended from Dec. 1 to 10 and applies only to students who are not registered in fall quarter.

The fall quarter will close Dec. 17 following a week of finals. Unlike last year, students and faculty will enjoy a full two weeks' Christmas vacation and the winter quarter will not begin until Jan. 3. English A examinations will be held at 9 a.m. on Dec. 30 and personnel tests, required of all new students, from 8 a.m. to 5 p.m. on Dec. 31.

Registration for winter quarter will not begin until Jan. 3 and 4, with classes scheduled for Jan. 5.

WARREN INVITED TO CENTENNIAL

Governor Earl Warren has been invited to speak to the faculty and students during the week-long California Centennial celebration to be staged here in June. If the governor accepts the invitation, he will be the principal speaker at an academic assembly, one of the major events of the celebration.

Dr. Hugh Gillis, head of the Speech and Drama department, will head the committee which is planning the celebration. Other events being planned for the week of May 30 include a concert by the college symphony orchestra in the Civic auditorium and the production of "Rose of the Rancho" by the Drama department.

Thank Mu Delta Pi Pledges For Signs

Signs indicating room numbers have been placed on barracks by pledges of Mu Delta Pi, social and service fraternity, according to Pledge Chairman James Riley. Pledges Philip Armi, John Thompson, Dan Hernandez, Ray Nissen, Robert Waite, and Vic Nightengale assisted in the service project.

Registrar's Office Lists Mailing Rules For Fall Reports

Students wishing their fall quarter grade reports mailed to them are requested to leave self-addressed envelopes in the box outside the Registrar's office, room 100, according to an announcement from that office today.

The box has been moved from its former location near the Information office, Miss Viola Palmer, assistant registrar, emphasized.

Grades will be mailed Wednesday, Dec. 22, to students who have submitted envelopes.

The Registrar's office requests students to use the following procedure to facilitate mailing of the grades:

- (1) Use envelopes at the box, provided by the Registrar's office.
- (2) Address envelopes clearly.
- (3) Print name in full.
- (4) Insert 5 cents in envelope to cover mailing costs.
- (5) Do not seal the envelope.
- (6) Married women should use their own first and middle names.

Students who wish to call for their grades may obtain them from the Registrar's office on Thursday, Dec. 23, Miss Palmer said.

STUDENT COUNCIL TO HOLD FINAL MEETING TONIGHT

The Student Council will meet tonight in what is hoped to be the clean-up meeting of the quarter, announced Tom Wall, ASB president, today. The meeting at 4:30 in the Student Union will attempt to wind up all the unfinished business.

Reports from various committees will open the session, Wall revealed, and a report from Dick Cirigliano, Spardi Gras chairman, appears to have the spotlight over the other reports.

Cirigliano will submit a written report covering all of his committee's operations to date concerning next year's carnival day. He will also reveal his tentative plans for the gala celebration, and present a financial statement.

How much of the profit resulting from operation of concessions at student body functions must be donated to the Chapel fund will also play an important part in the Council's meeting, Wall announced. "I believe a by-law stipulating that 25 per cent go to the Chapel fund should be passed," he stated.

ETA MU PI FRAT HAS INITIATION

Formal initiation of new members into Eta Mu Pi, national merchandising fraternity, was held at the Hawaiian Gardens last Thursday evening, according to Francis Douglas, president of the organization.

Guest speaker for the evening was Harold Wilson, senior examiner for the California State Department of Banking, who spoke on "How Banking Aids the Retailer."

New members include Donald Akin, Joyce Bingham, Wayne Davis, John Leijon, Don Lewis, Morton Marks, Walter Maus, Philip Nolan, Pat O'Brien, Harold Vreeburg, Robert Rowley, Clair Jacobson, and Ray Hummel.

Insurance Policies Replace Temporary NSLI Notes, Says VA

Issuance of insurance policies to replace temporary certificates on most forms of National Service Life insurance will begin soon, announced the VA recently.

The work will be done by the VA central office in Washington, D. C.

No action on the part of the veteran will be necessary to obtain the new policies, which will contain provisions of the NSLI contracts. Veterans are urged not to write the VA about the policies, as this would complicate matters.

Policies will be issued on renewed term contracts, and on those converted to any of the six permanent forms.

Certificates that have been issued on the original term insurance will remain in effect until the insurance is renewed or converted.

SPARTAN SPEARS SPONSOR SALE

A rummage sale, sponsored by Spartan Spears, will be conducted Tuesday in front of Morris Dailey auditorium.

Articles for sale will be coats, sweaters, and other items left unclaimed in the Lost and Found office.

Schmidt Meets State Officials On Program

Professor of the Police school Willard E. Schmidt met with Adult Authority officials in Sacramento Friday and Saturday concerning the penology program at State, according to Peter M. Kristovich of the school.

On your holiday trip... Travel in comfort at low cost

Ride in chair cars on our finest, fastest trains!

No other form of low-cost transportation gives you the comfort, convenience, luxury and safety you get in chair cars and coaches on Southern Pacific trains.

You can read, write, play cards, enjoy the scenery, or sleep, as you ride. There's plenty of room to move around and stretch your legs. Most trains are air-conditioned and offer porter service. You'll find meals delicious, prices moderate, in dining and coffee shop cars. (Eating on the train is fun.)

The engineer does the driving. You relax, completely comfortable, no matter what the weather outside. Steel rails are the safest highway ever built.

You'd expect all this to cost a lot—but it doesn't. Coach and chair car fares are very low and are good on our finest and fastest trains: the streamlined Daylights between San Francisco-Oakland-San Jose-Sacramento-Stockton and Los Angeles; City of San Francisco and San Francisco Overland, fastest trains to Chicago; the Beaver to Portland; Golden State and Imperial, Los Angeles to Chicago; and Sunset Limited, Los Angeles to New Orleans.

On some trains, seats are numbered and should be reserved in advance.

Next trip, try chair cars and coaches on S. P. trains.

C.O.P. Didn't Impress

WOLFPACK DOMINATES
SJS ALL-OPPONENT TEAM

By CARL UNDERWOOD

How thoroughly the University of Nevada football team impressed San Jose's gridders was shown when the Spartans picked six members of the Wolfpack on their all-opponent team last week before they flew to Mexico. St. Mary's landed two players on the San Jose team, while Stanford, Pepperdine, and Fresno all had a single man on the first eleven. College of Pacific failed to impress the Spartans, but three Tigers made another squad composed of all-CCAA opponents.

The six Nevadans who left their imprint on the Spartan hide after the 39-0 pulverizing early in the season are as follows:

Center, Bob Corely; tackle, Fred Leon; end, Scott Beasley; quarterback, Stan Heath; halfback, Tommy Kalmanir, and fullback, Sherman Howard.

Wilson Hanna, Fresno end; R. V. Johnson, St. Mary's tackle; Al Beasley, St. Mary's and Jack McKittrick, Stanford guards, and Terry Bell, Pepperdine halfback, complete the all-opponent selections.

San Diego headed the list of all-CCAA players with five, followed by COP's three, and Santa Barbara, Fresno, and Cal Poly with one each.

This team includes: ends, Dick Adair, San Diego and Hanna, Fresno; tackles, Tom Dahms and Al Sawaya, San Diego; guards, Harry Kane, COP and Keith Curry, San Diego; center, George Coleman, San Diego; quarterback, Eddie LeBaron, COP; halfbacks, Vern Bebernes, Cal Poly and Tom Kelley, Santa Barbara, and fullback, Wilbur Sites, College of Pacific.

After we asked Head Coach Bill Hubbard for the above selections, he spotted tackle Art Allen and questioned him as to the best tackle he has met this year.

"Jack Faulk (Spartan first string tackle)," was his immediate reply.

PHELPS, RUSSO IN
ON TENNIS FINALS

Co-favorites Bob Phelps and Dick Russo led the way into the semi-finals of the freshman tennis championships at Spartan field last week.

Dan Sawyer and Lee Newton also reached the round of four. Today's semi-finals will match Russo and Sawyer, and Newton and Phelps.

First round results: Jack Pfitzer d. Howard Sugimoto 6-4, 6-3; Lee Newton d. John Mintz, default; Chet Howe d. Bob Abraria 9-7, 6-3; Phelps, Russo, O'Brien, Gwinn, bye.

Second round: Russo d. Pfitzer 6-2, 6-0; Phelps d. Gwinn, default; Sawyer d. Howe 6-4, 2-6, 6-3; Newton d. O'Brien 6-1, default.

SJSC Runners Third
In Harrier Event(Continued from page 1)
the race as scheduled.

This meet ended the 1948 cross-country season for the Spartans. The locals have scored wins over the Olympic club, San Francisco State and Cal Poly, while they have lost to COP and Cal Poly with Friday's added loss to both COP and Cal Poly.

Purdy has been the outstanding runner on the squad. He has scored wins over the Olympic club, San Francisco State, and Cal Poly, while losing to Kirkpatrick of COP once before Friday's event.

The order of finish of the first ten: First, Kirkpatrick (COP); second, Purdy (SJ); third, Holden (SFS); "unofficial" fourth, Knox (SJ); fourth, Richesin (COP); fifth, Leslie (CP); sixth, Boehm (CP); seventh, Lee (CP); eighth, Hanney (COP); ninth, Brennen (SFS); tenth, Chapman (SJ).

P.E. and REC MAJORS
HOLD XMAS PARTY

Plans have been completed for the physical education and recreation majors' annual Christmas party, according to Marie Gabriel, general chairman of the event.

Scofield Hall, YWCA, will be the scene for the holiday party Tuesday evening, at 8.

Miss Gabriel extended an invitation to all women PE and recreation majors. Tickets are now on sale for 35 cents in the Women's gym.

Refreshments, entertainment, and prizes will highlight the evening, Miss Gabriel said.

Ex-Compton Ace

Bob Crowe, sensational ex-Compton J. C. All-American, now is a mainstay on the San Jose State quintet. Experts consider Crowe as one of the flashiest forwards to perform in this area in many years. He was named as most valuable player in the 1947 Modesto State Junior College Basketball tournament. He should give balance to a promising Spartan squad.

Agnelli, Moolenjzer
Win On Defaults

(Continued from page 1)

Sigma. Desch took the first two rounds from Les Walters (NC) and avoided trouble in the third.

SAE's Dick Finnegan took the 155-pound class first place medal from Johnny Johnson of the Newman club. Finnegan was the aggressor all the way.

Next to the Esch-Viviano 165-pound title scrap the Vince Sempronio-Don Harryman bout was probably the best on the card. Sempronio, one of Bill Hubbard's halfbacks, representing the Newman club, won the decision over Harryman (PSK). Vince landed some hard rights that gave him the second round. At the end the boys were swinging with both hands.

No Opponents

Lou Agnelli (NC) was declared 190-pound champion. His opponent, Don Foster (DU), was injured in Thursday's semi-finals.

Nick Moolenjzer, a Dutch graduate student, won the heavyweight championship but lost a gold medal to Agnelli in a special bout. Nick's opponent also suffered a minor injury Thursday.

The refereeing was very ably handled by Stan Griffin, a former Spartan boxing great. Griffin controlled the boys well and it was seldom apparent that he was in the ring.

The judges, Milton Lanyon, Morris Goldner, and Tom Cureton, should also receive credit for a difficult job well done.

Rifle Match

DONS BEAT
SJS GUNMEN

Though the San Jose State Musketeers showed much improvement in their marksmanship, they were outshot Thursday afternoon by a strong USF Rifle team.

The Dons, undefeated in two matches, garnered 1370 points to the Spartans 1348. Last week State's Musketeers scored 1309 points when they defeated the University of Santa Clara.

Carroll Collier was high-point man for San Jose for the second consecutive time. His point total was 281. Other members of the five-man team and their scores are Warren Winovich, 273; Don Woodworth, 271; Don Madson, 263, and Louis Kirby, 260. Ordinarily eight men form each team shoot and the five highest scores are recorded.

Team coach, Sergeant Alvin Ousey of the Military Science department, said yesterday that "the team is still not firing what they are capable of. I expect them to do much better after they have had a little more match experience."
